Subject: Requesting Permission for Arranging Promotional Workshop on Model United Nations (MUN)

Sir

We, United Nations Youth & Students Association of Bangladesh (UNYSAB), have been arranging a Model United Nation in Rajshahi for five consecutive years. Now we are glad to inform you that this year we will be arranging MUN for the sixth time which is UNYSAB MUN 2019.

Model United Nations (MUN) is an extra-curricular activity that provides an educational simulation of international politics and diplomacy in which students typically perform as delegates of different countries and simulate United Nations (UN) committees.

With that intention and after arranging five successful consecutive Model United Nations Conferences in 2014, 2015, 2016, 2017 and 2018, UNYSAB - Rajshahi Division is ready for UNYSAB MUN 2019 which will create another benchmark. This MUN conference will take place from 19<sup>th</sup> December 2019 to 22<sup>nd</sup> December, 2019 at University of Rajshahi with the sole purpose to find creative solutions and educate students to go beyond traditional boundaries. The theme for the conference will be "Engaging Youth for a Green Future Free from Polymeric Materials" keeping in mind that the dedication of youth can indeed bring a global change in future. In this year, 300 brilliant youths will participate under 6 academically diverse committees and debate on different agendas to explore their ideas regarding the theme. We are honored and delighted to invite all your students in our signature event "UNYSABMUN 2019".

So, we respectfully request for your permission for arranging a workshop on MUN.

Regards
